From the New Monthly for Oct. THE SUICIDE'S BURIAL. MARRATIVE OF AN ACTUAL OCCURRENCE

hlebotomi t -as he loved grandiloquent roughs, watchinen, and civic officers of the dignity and standing, he took an active interest, and was not unfrequently consulted when difficulties requiring the authority of hist-rical precedent were wasting. From this she awoke a few minutes ing. Moreover he was a kind of standing juryman; with great difficulty, and it was his frequent boast that not an inquest had been held in the parish for upwards of twenty years but he had officiated, and could still furnish but I am satisfied she still continued sensible, for peculiarity I selected him. "Mr. Price," said I,

you at the inquest on the ill-fated girl we are now the long sigh in which she expired."

By this time we had reached the Church-yard.

"I was, sir. Poor Margaret! I knew her But no solemn toll of the bell floated on the air.

Then why did'nt you find a verdict of de-gement?" I inquired.

They had placed the coffin on its brink, the grave-cords had been run, and they were waiting

rangement?" I inquired. Hughes, and to the low way it was proved she had been in for weeks; but he was obstimate, and it was of no use. He had directed us to bring it in felo de se, and nothing else would be have; and that, because the druggist, who he said was a respectable man, and who overy one knows is his relative, deposed to her having been quite same and collected when she bought the poison at his shop, only two hours before it was discovered she had taken it.

"Van speak of a broad to be man who had de-

othing there, but the candle upon the table.

ly to style himself: in other words he was a barber surgeon—in ancient and once important profession, now rapidly becoming extinct. He was a garruloits, light-hearted sort of gossip; and, like the generality of his craft, the notorious retailer of local news and floating scandal of the neighborhood. In all matters of paroclical business, in the election and inauguration of constables, headborroughs, watchmen, and civic officers of like dignity and standing heads and the local news and the local properties of paroclical business, in the election and inauguration of constables, headborroughs, watchmen, and civic officers of like dignity and standing heads are to be the mere planntoms of delirium could never alarm me, in that I was deceived. There was such a starding earnestness in this address to her mother, that for a moment I felt a cold shudder runthrough me. I could no longer remain with her alone; so I sent for a poor widow why is here, and who, with the kind-hearted doctor and myself, were the only persons who approached her tural appearances had been so strong, that what i

you with the leading details. It was for this last peculiarity I selected him.

"Mr. Price," said I, accosting him, "were foring, I felt a heavy load removed from me with

well, and her father before her; an honest man he was too, and it would have been better for his widow and child, if his brother had been honest greet the dead with the usual solemnities. Neveralso. He——"
theless, the beautiful and imposing service of the "I am acquainted with that story," said I, interrupting him. "But of the girl herself: do you really think she was of sound mind when she from it. He met the funeral at the gates, and every took the poison ?"

"Of sound mind? No! I was one of the four jurymen who held out for a verdict of Insanity: for I who had known her from a child, and had always noticed how regular she was at church, bow druffel to her yearless at church. how duriful to her mother, and after she lost her, ed against the snow, the black chasm, with its how prudent and good she continued, could have believed—I was myself more likely to have committed suicide than she was."

The state of the same of earth, looked unusually chilling and repetitively the same of ea

-, who is no more fit to be that part of the service where the body is commit Coroner than I am to be Lord Cinef Justice, opposed it. For my part, I took the liberty of referring him to the letter she had written to James clasped it with frantic affection. He charged him-

GUGISA, COLDA, CONSULTATION & LIVER COMPLAINT COUR ED.—A remarkation cure.—Rev. Istain Goods will, of Louisville, came to New-York last June for the benefit of his health, being unable to preach in consequence of a severa court, pain in his side, and raising blood. He had been troubled with these symptoms for better than two years. He obtained two bottles of Dr Allen's Balsame of Horehound, Liverwort, and Plearity Root. In three work's time his cough, pain in the side and raising blood were entirely removed, and he has returned to his home restored to perfect health.

Ly Hacking Cough is never a triling thing. It will end in consumption, unless you take Dr Allen's Balsam. Do not think, because it is a backing cough, that almost any thing will cure it. Try Dr. Allen's Balsam. Remember, your life is at stake. Look out for initiations. ST RAI-NO BLOOD.—Dr. Allen's Balsam will care this dreadful disease. It is so healing to the large that it requires but a few does to stop all bleeding. It sless allays the cough and makes one breather perfectly easy.

Ly PAIN IN THE BREAST.—I have been cured of
